

EXODUS CHAPTER 24

- * In the OT, despite the fact that they lived under the law, yet the grace of God was also sufficient.
- * There is only one plan of redemption through grace and by grace (OT/NT)
- * THREE BASIC DIVISION OF MOSAIC LAW
 1. Moral law – built by the ten commandments. It is a perfect law and because it is perfect, everyone becomes a transgressor of the law because we are not perfect.
 - The law is our school master to point us to Christ.
 2. Ceremonial – pertains to priesthood/worship feast days/offerings. Typifies the Lord Jesus Christ.
 3. Civil – govern the nation of Israel politically: judgment/law of the new nation. There will be a revival of the law during the millennial reign – Israel will be given the whole world.
- * England – the only country that do not have any written constitution.’
- * Two laws in the Philippines:
 1. Penal – against the republic
 2. Civil – against individuals
