

**JUST CALL AND HE WILL ANSWER**  
**Jeremiah 33: 3**

---

**Introduction:**

Many preachers usually call this verse 'heaven's telephone number.' If you call somebody on the phone, you expect the other phone to ring and you expect someone to answer. It is so with God. If you call Him in faith, expect an answer and He will.

**Message:**

1. The Lord gives a loving request to undeserving sinners. "Call unto me". No matter what and who you are and what you have done. They don't matter, just call Him - trust in Him, put your faith upon Him, be confident in Him. Did He not say, "if you ask anything in my name."?
2. The Lord will give a sure response. "I will answer" if we can believe man when he makes a promise, why can't we believe God altogether. There is not one promise He made that ever failed yet.
3. The Lord will show an astounding revelation that only happen to those who believe- "and show thee" – the Lord always backs up His promise with a demonstration of His grace and mercy.
4. The Lord will grant us incredible result. "great and mighty things which thou knowest not."  
It is incredible.  
It is inaccessible without the Lord.  
It is beyond human understanding without the grace of God.

Does man in his own limited comprehension understand that:

1. Salvation is a gift?
2. Salvation is not at the merits of man?
3. There is eternal security?
4. He is totally depraved and destitute of the truth of God?
5. There is no other truth but Bible truth?

"These are great and mighty things which thou knowest not."  
... until you come to Christ in repentance and faith  
... until you humble yourself and submit to His will.
