

THE SOUL WINNING, THE NEED OF THE HOUR
Proverbs 29: 18

Introduction:

If you are saved, God has given you a vision. And we lift up the cry, “Rescue the perishing.”

Soul-winning must become a real burden of your soul. If you are saved God has given you a great responsibility: THAT OF A WATCHMAN (Eze. 3: 15-21). Soul-winning is a great responsibility.

Message:

There are many Christian today especially among the fundamental Baptists who instead of occupying the work of evangelism, fight, argue, bicker on their pet doctrine to the confusion of believers and the detriment of the unsaved.

How are great churches built? Just obey the great commission.

- A. The Bible declares the soul-winner to be wise (Prov. 11:30; Dan. 12:30)
He is called an ambassador, a witness, a vessel unto honor, a workman, a testimony, not a debater, arguer, and brawler.
 - 1. because a soul-winner will not withhold the truth to another.
 - 2. because a soul winner is an instrument of salvation.
 - 3. because a soul winner is a proclaimer of God’s wondrous gospel.
 - 4. because a soul-winner has experienced God’s saving grace.
- B. Soul-winning is the greatest need of the hour. Why?
 - 1. because the world is not getting better.
 - 2. because man is hearing for eternal destruction (II Thess. 2:11-12; Rev. 20:10-15)
 - 3. because sin seems to be out of control (II Thess. 2: 3-10). Sin is the cause of every corruption, suffering, frustration in politics, economics, and academics.
 - 4. because man refused to recognize God’s way (Rom.. 1:21-23)
 - 5. because so called Christians and Christian churches are turning away from the truth. Seducing spirits, doctrine of devils , (I Tim. 4:1) not discounting the proliferation of atheistic, and pseudo-christian teachings; charismaticism, ecuminism, interdenominationalism, and neo-evangelicalism.
 - 6. because of the imminency of Christ’s second coming (Rom. 13:11).
- C. Soul-winning is needed now because a brother, a friend or a relative or loved-one is heading for hell today (3 people die every second).
- D. Soul-winning is the sowing of seed and it is hard but the reaping shall produce rejoicing (Ps. 126:5-6)

Conclusion:

Will you be a soul-winner?
